

Talk Protect Report

Training by Traverse Bay
Children's Advocacy Center

What is Talk·Protect·Report™?

A 90-minute evidence-informed program that focuses on what every adult should know to be an effective advocate for children in the fight against child abuse.

- Prevention: Talking about Body Safety and normalizing it
- Protection: What signs to look for and how to respond to children
- Reporting: Trusting your gut and steps on how to report when you suspect abuse
